One Day Street Market

Thursday 28th October 2021

TERMS & CONDITIONS FOR TRADE SPACE

- **The tolls for trading space at the Fair are £30.00 per 3 metre frontage (measured across the width of the stall at its longest point to include tow bars, any overhangs and opening of doors).**
- All traders must be covered by a **Public Liability Insurance** policy, **minimum cover £2million**. Proof of such cover must be submitted at the time of payment and may be asked for on Fair Day so please ensure you are carrying a copy of a valid certificate or NMTF membership or you will not be permitted to trade.
- **Trading hours are from 11.00am until 6.00pm. Food Court 11.00am to 9.00pm**
- There is no vehicle movement in the street between **10.00am and 6.00pm**. Please do not start packing up your stall before 6.00pm
- There is no parking in the street, unless you are a trader with facilities within your vehicle..
- Once a pitch has been allocated and payment received, no refund will be given.
- Names and addresses of traders must be displayed prominently on the pitch. (Members of the NMTF may display their names with the address of the NMTF office).
- Any space allocated is for personal use for the trade specified at the time of booking.
Pitches are Non-Transferrable. **Sub letting is NOT permitted**
- **Ball Bearing Guns, Laser Pens and E-cigarettes are NOT PERMITTED to be sold on any of the stalls**
- Pitches must be occupied by **10.00am**. If not, then the pitch will be re-allocated.
- **STALLS MAY NOT BE SET UP ANYWHERE IN THE TOWN PRIOR TO THE DAY OF THE FAIR.**
- We are required to ensure that there is 12' of clear road for fire/emergency vehicles. Any stall must therefore be **a minimum of 2 metres away** from the centre of the road (or from the centre white road markings where applicable) including any awnings or overhangs.
- As stalls face into the street, please make use of the pavements. Bear in mind you may also need to bridge the gutter. Some pitches are on a slope. Please be considerate to our residents and shop owners by maintaining a clear area for access to doorways at the back of your stall.
- Any areas marked 'keep clear' must be kept free of any obstruction as they give either fire or wheelchair access
- Insulation of all electricity cables must be in perfect condition and all cables must be safely located.
- We are unable to provide electricity and you will need to provide your own lighting.
(NB: this year British Summer Time ends Sunday 31st October 2021.
- **The Fair Organiser's decision on the allocation of space and all other matters is final.**
- **The Fair Organiser retains the right to cancel the Fair at short notice if required by Government due to ongoing Covid-19 requirements.**
